USB 2.0 Hi-Speed File Transfer Cable (USB-A M/M) 6-ft.

MODEL NUMBER: **U232-006**

Description

Tripp Lite's U232-006, USB 2.0 hi-speed file transfer cable, provides a simple way to connect two computers via their USB ports, in order to quickly and easily exchange files. The cable provides true plug-n-play capability, while transferring files at much greater speeds than USB 1.1 file transfer products. The included PCLinq2 application program provides a drag-n-drop, user friendly interface to transfer files. You simply plug in the U232-006 cable and install the application software into your PC(s). Tripp Lite 1-Year Limited Warranty.
